Dear (Insert School Name)

My name is Rodica Balaj, and I am the director of Legacy Grandparents; a Non-for-Profit Organization dedicated to foster and mentor youths.

On September 1st 2020, Legacy Grandparents will launch the Mask & Learn Campaign, which is a fundraiser that we have been working on for months to promote health and well being among the school community.

Legacy Grandparents has paired with ____ volunteers to make over _____ masks for schools in our area for this campaign. We would like (insert school name) to help us achieve our mission!

As a local school, we would like to ask you to donate \$2 for each mask, and help allow our masks available to your student body. If you would like to further discuss our plans, please contact us via email helpmyneighbour@gmail.com, or phone (604) 290-1051

Sincerely,

Rodica Balaj
